Benefit from early-bird services, including accommodation discount, online business matching, free passes to seminar, VIP events and more...

1,000+ latest smart home products under one roof

Showcasing innovative products, including a number of debuts, incorporated with cutting-edge technology such as Internet of Things (IoT) and cloud services. Catch the latest in key components, all-in-one cameras, multi-functional sensors, smart gateways, HEM systems, integrated systems and solutions in home automation & control, and home security.

Build strategic partnerships with 200+ manufacturing elites

To help your business meet the ever-growing customer demands, SMAhome gathers 150+ premium manufacturers from China, Korea, and Taiwan, who are here to present their product designs and R&D strengths.

Boost your business at onsite events
