Concurrent Show **secutech** **CompoSec** **Fire & Safety** **Info Security**

## BUYER INVITATION

2F, No.8 Lane 360, Sec. 1, Nei-Hu Road, Taipei, Taiwan (If undeliverable, please return to this address.)

# Connect You to Asia's Premium Manufacturers

Now business insiders view Asia, the world's manufacturing base, with excellent examples of Nest thermostat, as well as many other home security, connected-home products. At SMAhome, you'll easily have access to these A+ products & partners once for all!

## Unique Position

SMAhome International Exhibition & Conference is the newly-designed platform for Asia's top sourcing managers looking for latest applications in fields of home security and connected home. The show is where you will meet future business partners!

## Witness the MIT (Made-in-Taiwan) power

Taiwan makers are known globally for their competitive edge in production efficiency and high quality. Meet +300 Taiwan suppliers such as Amroad, Brainchild, Climax, Joint Security Supplies, Starvedia, Tranwo at once and discover their state-of-the-art devices and high-value-added solutions!

## Sync with IoT concept & home security

Experience fresh ideas and cutting-edge innovation that come into business, such as **home camera, smart locks, doorbells, gateways & software, integrated systems and sensors**, are present to fulfill your various product sourcing demands. Beside to home security, a slew of showcases across professional security & safety can be unearthed, from UHF monitors, 4K panoramic camera, enterprise NAS, to fiber connections.

## Asia's top 100 manufacturers under 1 roof

Even senior sourcing managers struggle to identify reliable and robust partners. Here, you can efficiently talk to top 100 manufacturers from China, Korea and Taiwan, selected out by their product design talents and customization prowess.

- **Taiwan** leading brands: Everfocus, Foxconn, LILIN, Hi sharp, Hunt, Shany, VIVOTEK, WFE...
- **Japan** manufacturing elites: Optex, Tamron
- **Korea** top picks: Daiwon, Eyenix, Ronix, Trustone, Wonwoo...
- **China** selected makers: Bestech, Chuango, Dahua, Foscam, Fujica, Hikvision...

Full exhibitor list, please see the back cover.

April 28-30, 2015 • Taipei, Taiwan  
Register NOW at [www.secutech.com/registration/en](http://www.secutech.com/registration/en)

*We highly recommend these visitors to join!*

From worldwide brands to local dealers, if your focus is to source home security products from original manufacturers, this show is for you!

- Telcos/ ISPs • Retailers
- Alarm monitoring
- Home Automation importers/ dealers

A series of events and conferences will help you to carry out face-to-face networking discussion.

### • SMA100 Express Center

A buyer-oriented showcase that could save you time in targeting quality exhibitors and products. You can make inquiries and appointments with participating manufacturers via onsite staff.

### • One-on-one Business Matching Program

A supplier list will be provided and paired with your pre-stated interests, this program an easy, efficient way to network with Asian manufacturing experts.

### • Technical Conference

High-caliber seminar talks will touch the latest technologies in home security and Z-wave standards.
